Assemblies of God U.S. Missions exists to bring the hope of Jesus to various relational, ethnic, cultural, and needs groups within the United States.

U.S. Missions personnel can be found in nearly every state and territory, in settings as varied as the U.S. population itself, laboring to bridge the gap between the Church and the unreached. They serve the estimated 10 million souls who have not heard the message of Jesus and are unlikely to ever step inside a church.

Each of them relies on Holy Spirit inspired partnerships to carry out their work.

Opportunities for giving extend far beyond the traditional offering plate. New avenues for support make giving to missionaries and ministries quick, easy, and specific.

Each time you give, Jesus is exalted and more lost souls have the opportunity to experience His redemption. We rejoice in His heart for the United States, and we rejoice in your partnership.

95 percent of your donation goes directly to the missionary or ministry.

Donations help provide housing, living expenses, medical insurance, work expenses, and more.

Designate your offerings so that your church will receive Assemblies of God Total Giving Credit.

ONLINE GIVING

The Assemblies of God has developed giving.ag.org to make giving to missionaries and ministries simple, secure, and private. You will receive a monthly receipt for each donation. Receipts can also be managed through your giving.ag.org account. Online gifts can be designated as a Faith Promise.

You can make one-time donations or set up recurring gifts from the site. These can be done with your debit or credit card, PayPal, an e-check, or cryptocurrency.

Through the Assemblies of God's partnership with Engiven, your cryptocurrency donation will be processed as cash, and you will receive an email receipt and tax form. Engiven currently facilitates over 90 forms of cryptocurrency.

FAITH PROMISE

A Faith Promise is a recurring donation to support a missionary's budget. We understand this to be a gift given as the Lord enables. This is a valued way to exercise your trust in the Lord's provision and to come alongside missionaries on a recurring basis.

Once we receive your Missionary Faith Promise Form, we will send you an information packet and certificate to you. A Missionary Faith Promise Form is included in this booklet. You can also submit one directly on usmissions.ag.org/FaithPromise, or download a printable one from usmissions.ag.org/Resources/Downloads.

You can also sign up for a Faith Promise when giving online at giving.ag.org.

We welcome checks and money orders made out to Assemblies of God U.S. Missions.

Please indicate missionary name or seven-digit account number (if known) of the check.

You may either send your contribution in with the Missionary Faith Promise Form or wait until you receive the information packet.

STOCKS

When you donate stocks to a missionary or ministry, you can have the opportunity to save on taxes. A gift of stock owned for more than one year entitles you to a charitable deduction for the full market value at the time the gift is made. If the stock has appreciated, you would also avoid a capital gains tax on the appreciation.

TRANSFER THE STOCK

If the stock you hold is in a brokerage account, you can easily arrange a transfer to our brokerage account.

YOUR WILL

One of the best ways to create a legacy is by including charitable bequests in your will. When making this type of contribution, many factors influence your decision such as your assets, family concerns, and other interests. We've highlighted a few approaches you may want to consider when using your will to support U.S. Missions.

GIVE A SPECIFIC AMOUNT

Naming a specific amount and designation in your will can ensure the donation will be properly disbursed. By regularly updating your assets, you can be certain the accurate amount will be given and that the missionary or ministry is still active.

GIVE A SPECIFIC PROPERTY

If you know a missionary needs a particular item or asset, you can designate that item to them in your will. To be certain the item will be put to good use, check with the recipient before including it in your will.

GIVE A PERCENTAGE

To establish a distinction between charitable and non-charitable beneficiaries, consider designating a percentage of assets in your will to a U.S. missionary or ministry. Using this method automatically adjusts the amount as your estate fluctuates.

ALL OR PART OF "WHAT IS LEFT"

Family and loved ones should always come first when choosing recipients in your will. If you are uncomfortable bequeathing a specific amount, property, or percentage, consider a gift from the residual or "what is left" of your assets after providing for your loved ones.

MATCHING GIFTS

Many employers offer matching gift programs. This is a great way to make your donations go even further. Thousands of companies have matching gift programs which may double, or even triple individual contributions made by employees and retirees to nonprofit organizations.

SIGN UP

Ask your employer if they have a matching gift program. If they do, ask for a matching gift form from your Human Resources department, fill it out completely, and send it along with your contribution to:
